PERSONAL ATTRIBUTES

I am highly motivated, hardworking and able to work with minimal supervision. In addition, I am result oriented individual with the passion for being an excellent team player within any working environment.

CAREER OBJECTIVE

Enthusiastic recent graduate eager to transition into the tech world through hands-on training and development programs in a positive environment that fosters career progression and personal growth. I am committed to contributing to the organization with professionalism, integrity, and a dedication to giving back.

EXPERIENCE

AUGUST 2024 – NOVEMBER 2024

CIVIL ENGINEERING CONSULTANT, HUNAN ROAD AND BRIDGE CONSTRUCTION (HNRB)

Assisted in the current highway expansion project in Mtwapa, collaborated with the design and project management team on day-to-day tasks, conducted site inspections and assisted the site surveyor in taking levels using a dumpy level, set up and maintained surveying equipment, ensuring it is calibrated and functioning properly, participated in site inspections with the surveyor to ensure that the work is proceeding according to the survey plan and identified any discrepancies or issues and ensured that machine operators follow the correct alignment and elevation as per the design plans.

MAY 2023 – JULY 2023

ENGINEERING CONSULTANT, SARI CONSULTANTS LTD

Assisted in site survey including land topography and soil analysis, collaborated with the surveyor and deputy materials engineer and inspector to coordinate construction activities and conducted regular quality inspections to ensure adherence to architectural plans and safety regulations.

MAY 2022 – AUGUST 2022

CIVIL ENGINEERING CONSULTANT, KEODI MANAGEMENT

Collaborated with the civil engineering team on site assessments and documentation, worked with the mechanical team to coordinate on projects and learned to create and update technical drawings in AutoCAD, ensuring compliance with design specifications.
